ADOLES

DEDICATION...

For his outstanding part as a guiding factor in the contemporary history of Rollins College and for his unselfish devotion of time and energy to the perpetuation of the Rollins ideal, we dedicate this, the 1952 Tomokan, to our beloved President, Hugh F. McKean.

Hugh F. McKean

When Rollins College was founded in 1885, the State of Florida granted a charter which provided that the policies of the school be enacted by a board of trustees, numbering not more than twenty-one nor less than nineteen. Thus, the powers of the trustees are provided by law. Their duties are to appoint all faculty and administrative positions, to handle the endowments and investments of the college and to acquire property.

Many of their powers are delegated to the President, some to the faculty, and certain powers to the student body through the Student Association.

Two regular meetings are held each year, one during Founder's Week and another in Commencement Week; but special meetings are called if necessary. During the rest of the year an executive committee handles the routine business of the college.

Each member serves a three year term. The board every year asks the Alumni Association to name one alumnus to serve for one term. At the present, ten of the twenty trustees are alumni of Rollins College.

RESIDENT HEADS

Of all the staff the resident head has the clasest cantact with the students. Versatility is a must, far she is both a friend and advisor ta the residents as well as a gracious hostess for the house. Her tasks range from bandaging cuts to administering mild disciplinary action. For her understanding, patience, and forebearance we owe a tremendous debt of gratitude, a debt which is impossible to express in wards alane; yet the Tamokan, an behalf af the student body would like ta offer our sincere thanks to these modest queens of the campus.

OFFICERS

HAL SUIT . . . . . *President*

DICK ELLIOTT . . . . . *Vice-President*

HESTER DAVIS . . . . . *Secretory*

DON MATCHETT . . . . . *Comptroller*

Members of the Council are: First row: Hal Suit, Hester Dovis, Dick Elliott, Don Matchett. *Second row:* Betsy Williams, Marsonne di Lorenzo, Joney Johonnes, Robin Merrill, Mory Boiley, Jeon Currie. *Third Row:* Joe Augeri, Les Boyd, Bruce Lee, Ralph Seidel, Kay McDonnell, Duboc Preece Dale Trovis, Borboro Mock, Doris Compbell. *Fourth row:* Don Corrigon, Bob, Tiller, Jock Sonderford, Norby Mintz.

The executive and legislative powers of the Rollins Students' Association are vested in the Student Council, which is composed of one representative from each social fraternity; four independent representatives, including at least one woman, all of whom must have been regularly enrolled for at least two terms; the dean of men and the dean of women.

During the summer President Ed Cushing was called to serve his country, and Hal Suit was elected to succeed him.

Various committees set up within the Student Council this year include a committee of three to rewrite the Student Association Constitution whose members were Derek Dunn-Rankin, Dick Elliott, and Hester Davis. Also created was a Speaker Service of students who visit civic clubs in Central Florida explaining the small college's role in the community and democracy.

Other activities have been: the news briefings which proved quite successful; the welcome extended to Patrick and Sanford Air Force Bases in November to acquaint them with the college; the Faculty-rating sheet put into effect at the end of the Fall Term in which the students graded their professors; the $2,750 appropriation from the Student Council Association Fund to help the administration in the building of new tennis courts, volleyball courts, and Pelican improvements; and finally, the plans for a political forum to be held at Rollins in April which was set up by Hal Suit and a committee.

CHAPEL ACTIVITIES

The prime functian af the chapel an campus is as a non-secretarian spiritual center for the student bady, but it alsa engages in many autside activities through the variaus committees and affiliated arganizatians. The Chair, International Relatians Club, Race Relatians Cammittee, Community Service Cammittee, Ushers and the After Chapel Club are sponsared by the Chapel and are open to all students. These organizatians nat anly acquaint the student with problems in the field but alsa encourage positive wark within the cammunity and an campus.

CHAPEL STAFF

By planning and executing specific pragrams and projects the Chapel Staff executes the religious program on the campus. The Staff functians thraugh three service and study committees af the Chapel: Cammunity Service, International Relations, and Race Relatians. The Chapel Fund Drive, spansared by the Staff, raises maney far the three cammittee mentianed abave and the Dean's Fund. The fallawing is an example af the Staff's pragrams: Christmas Service, a Christmas Program in which Dean Enyart gives his annual reading af Dicken's "Christmas Caral," Lenten Services, and a sunrise Easter Service.

The staff is campased af seventeen members—twa faculty members, nine elected members, three cammittee heads, the head usher, chairman af the chair, and Dean af the Chapel.

INTERNATIONAL RELATIONS

The International Relations Club has as its prime purpose informing the student of world affairs. This is accomplished by lectures, movies, debates and discussions. Dean Cleveland spoke on her recent trip to Japan and Madame Huang informed us of her native land—China. A very interesting debate on "The Rearmament of Western Germany" was presented by Herr Fisher, Dr. France, Jerry O'Brien and Bob Yoder. Movies were shown by Mary Ann Hobart, concerning her trip to England and France last summer and Jack Rich sometimes shows pictures concerning "Students Traveling Abroad."

In addition, the IRC supports two war orphans, a Greek girl and a Polish boy. Christmas presents are sent to them each year, as well as monthly packages. The club also contributes to the World Student Service Fund which helps foreign students complete their education by providing monetary and other means.

COMMUNITY SERVICE

The year '51-'52 has been a very busy one for the Community Service Committee. This year's efforts have given financial and practical aid to many Orlando and Winter Park institutions; the Correction of Stuttering and Stammering, the White Day Nursery, the T.B. Sanitorium, the Parental Home and several others. Through the close cooperation of all its members and the able assistance of Miss Sally Eastwood, the committee has done an outstanding amount of constructive work for the surrounding communities.

RACE RELATIONS

The Race Relations Committee has both programs and projects. Besides sponsoring Race Relations Sunday for Winter Park, meetings on inter-faith and race relations problems are held. This year they have supported two Seminole Indian children in Florida, helped support one college student, provided funds for the Hannibal Square Library, and helped at the County Parental Home and Colored Day Nursery with their Christmas parties. In addition funds were provided for projects in Eatonville.

H A P E L C H O I R

The Rollins College Chapel Choir is one of the ost important activities on campus. It devotes ost of its time to the serious study of repre-ntative choral literature from Early English nd Roman schools up to contemporary com-osers.

Each Sunday morning during the Chapel Serv-e, the choir presents an anthem and a choral nterlude. It performs at all religious services of he college and for many outside functions. Dr. erman Siewert provides the organ accompani-ents.

The highlight of the year is the Christmas ervice, given three times during the last week efore vacation. This year the program, iden-cal for all three services, consisted of twelve eautifully arranged carols and three violin ieces. The group also presented the program n Sarasota, Florida at the State Music Teach-r's Convention.

In Spring term members participate in the ach Festival. Also the choir gives a choral esper service, presenting old and new favorites n song.

In a purely recreational vein, two or three mes a year the group has a picnic for its mem-ers as an outside activity.

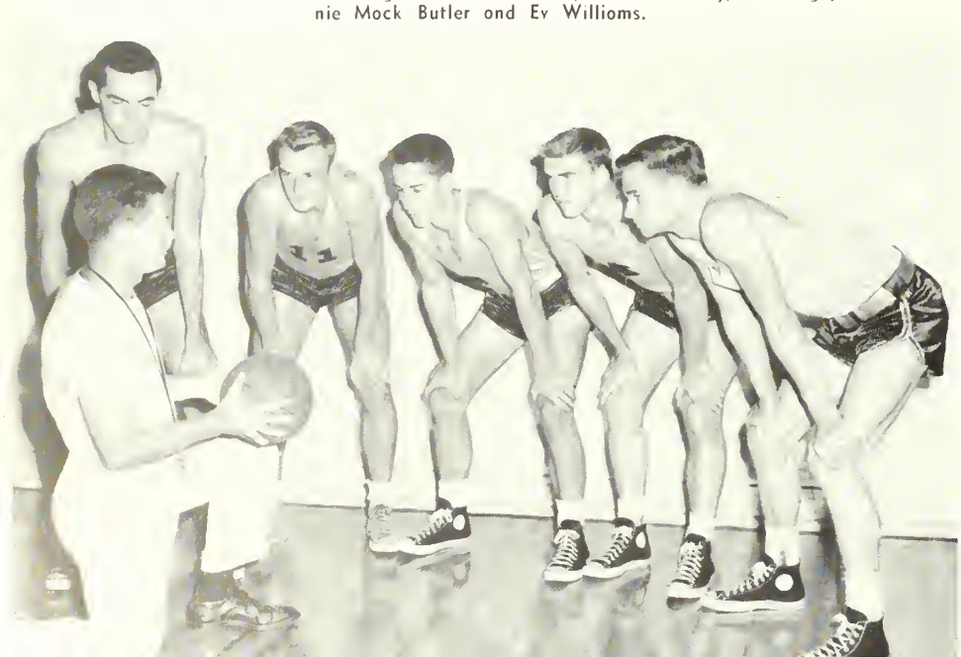
BASKETBALL

Cooch Joe Justice and the starting five: Fronk Borker, Bob MocHordy, Bob Rego, Connie Mock Butler ond Ev Willioms.



With the addition of seven freshmen to bolster the four returning lettermen; Fronk Borker, Ev Willioms, Jim Foy ond Dick Seyler, the Rollins Tors, os the seoson opened, were o teom to be reckoned with. Joe Justice in his first year as heod cooch produced o teom featuring o fast breok offense which wos more dangerous in the lost quarter thon in the first.

This yeor olso brought to Rollins in the person of 6' 4" center Frank Borker, four NCAB records. Most free throws in one gome, 17 ogoinst Stetson; most field goals in one gome, 20 against Florido Southern; most consecutive free throws, 21; ond most points in one gome, 50 ogoinst Green Cove Novy. Borker olso ronked sixth in the notion's smoll college ployers with o 23.1 points per gome averoge.

The Rollins Tors opened their 1951-52 season with o convincing victory over Potrick Air Force Bose 71-39. In rolling up their second victory over o weok Florido Southern team, the Tors definitely estoblished themselves os the

dork-horse in the Florido stote title race. The gome also estoblished a new team scoring record os they rolled through to the tune of 87-47. After toking Jocksonville Novy in their stride the Tors came to their first reol test of the seoson. In by for the most exciting gome of the seoson, Rollins went down to their first defeat of the yeor, bowing to Tampa in the lost seconds 67-65. The teom come from o 61-43 deficit early in the finol quorter to drow within 2 points of the Sportons. Tompo then goined possession ond froze the boll for the final 17 seconds of ploy. A smoll fost five from Mercer come down to hond Rollins its second defeot. Agoin the margin wos o meoger 2 points, 61-59. The Tors were honded even more disheortening news os Borker wos lost for at leost o week due to an eye injury suffered in the second quorter. Fronk did not re-enter the lineup until the Stetson gome of Jon. 26. Still hompered by this loss, Rollins wos completely outclossed by o more experienced Porris Islond Morine Teom four doys loter, ploying on excellent game in losing by a score of 69-60.

The team then prepored for the season's most rugged rood test, gomes with Tompo, Stetson, ond FSU. Still without the services of Borker the teom went down to defeot ot the hands of o very toll ond efficient Tampo U. teom, 83-71. Returning to its usuol close morgins of defeot or victory the Tors went to Delond and before o pocked house they went down to defeot by o three point morgin, 72-69.

The Tors ended o six gome losing streok by downing o troublesome FSU teom 69-55. This gome wos o revenge for on upset defeat by the Seminoles o week before. Rollins sonk 23 out

of 28 shots for a fair margin of victory. If this average had followed for the previous games the Tars might have won some of their closely contested defeats. Four days later Rollins played host to a visiting Stetson five which had defeated them once earlier; this time going down before a closely contested 70-68 final score.

Appearing in his last home game Frank Barker scored 50 points in a rout of a sadly mismatched team from Green Cove Navy. In the final quarter Frank scored half of his total when the team did everything but hand him the ball in an effort to break the previous record set by Chadroff a few nights before. When the slaughter was over, the dust had cleared, Rollins had won by a lop- sided score of 104-55.

This years team has been named the Heartbreak Five. Going great before Christmas vacation, the team seemed to fall apart after the long lay-off. Poor shooting characterized all their games during the next month. Sloppy ballhandling and fair defensive work contributed along with an odd inability to sink free throws to the loss of many games. It was often said that when Rollins was hot they could not be stopped, especially in the last quarter, but when they were cold there was a lid on the basket and oil on their fingers.

MacHardy breaks through for 10.

BASEBALL

Having had a three year hold on the state championship up until last year's slip downward, Rollins will be back in the scramble this year with a team improved in every department. Coach Joe Justice has done a terrific job in rounding up new talent for this season's team and it can be well assured that much of the team's improvement is going to be based on the success of these newcomers. Fifteen new men, fourteen freshmen, dot the Rollins roster this year, and many won starting berths for the opening game with Alabama on March 17.

Pitching is Justice's main worry this year, just as it was last year after the graduation of such fine moundsmen as John Gray, and Clyde Stevens in 1950. Coach Justice says that our pitching staff is better than it was last year, but that it still lacks experience. Last season's entire freshman pitching staff is back, improved after a year of college baseball. Returning are Henry Menendez, last year's leading hurler with a 4-2 record; Don Work, a senior who chalked up a 3-3 mark before coming down with a bad back in April; Bob Leader and Bud Fischer, who are looking much better this year; Fred Baldwin, a fine reliefer who won 3 and lost 5 last year; and big Peter Sturtevant, the only Bohemian ball player with artistic talents and a perfect record of 1 win and no losses. Bolstering these returnees are three highly promising freshmen; Bill Cary, who had a 16-4 record at West-

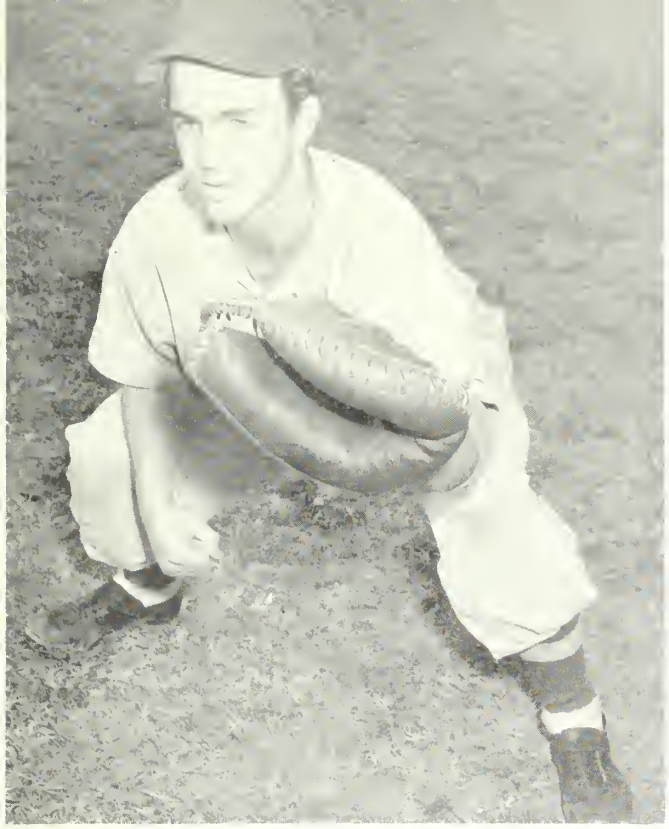
brook High, Maine; Fronk Hutsell ond Don Tauscher, twa of Flarida's finest pitchers last year at Orlanda and Winter Park.

There is na questian in the hitting department this year. On the regular squad are faur-year veteran Lyle Chambers, center fielder wha hit .330 and botted in 25 runs in 24 games; Al Daynor, a hard hitting right fielder transferred fram Bradley; Connie Mack Butler, an all-Narth Caralina high schaal left fielder last seasan; Bab MacHardy, the freshman basketball whiz fram Westbraok, Maine; Freddy Talbot, fine fielding secand basemon from Samerville, Mass.; Don Finnigan, hard hitting catcher; and Jae Hull, 215 paund first baseman and slugger. There is no daubt that if all these potential hitters come through with the gaads this seasan thot last year's lawly overage of .230 will be raised considerobly.

Helms' tag is too late.

MacHardy triples to left center.



DON FINNIGAN

FRED TALBOT

In the infield there will be some fine team work done by MacHardy and Talbot, shortstop and second baseman respectively. They provide the Rollins Tars with a good double play combination. Talbot being as smooth as they come on the pivot. Versatile Delton Helms is handling third base nicely after spending last year at first and in the outfield, and if any of these three fail to come through then Bill Pate, the regular second baseman of last year who is a very good fielder, can step in.

All in all, Rollins has an excellent squad of ballplayers for the season of 1952. Coach Justice has been working them hard in hopes that the Tars can once again retain that title of State Champions. Their schedule is a tough one, but with a little luck on their side they can do it. Besides such state powerhouses as Florida and Miami, Rollins also meets Alabama, North Carolina, and Amherst. These ball clubs are a threat to any team's record. Those people who come to watch Rollins play ball at Harper-Sheppard Field can be assured of some very hot and fast games this season. The boys are not only good, but they really want to play ball, and that means a lot.

When the varsity crew went dawn the waves an Lake Maitland this year, there were anly faur surviving lettermen. Graduatian and illless had taken their tall af the Big Blue's Crew. Mast significant lass was that af strake Jahn Thibadeau ta the Navy. With the aid af letterman Dave Manley at number 7, Jahn Vereen at number 5, Russ Sturgis at number 6, and Emary Hunter at number 1, Caach Bradley began ta mald his crew. Buck Class came inta number 2, and Ranny Trumbull at number 3. The crew didn't reach its full camplement until the beginning af the Winter Quarter with the additian af Narm Grass at number 4, and Dan Weber at the all impartant strake pasitian. Ralph Estes very ably filled the caxswain's seat.

The varsity crew this year is ane af the largest in the histary af rawing at Rallins, the average weight being 191 paunds.

classed central Americans were easy prey for the polished Rollins eight. The varsity won their second race by defeating powerful Boston University by a quarter of a length in a hard-fought race.

The Junior Varsity is composed almost entirely of freshmen and transfers, all of them lacking experience. In the years to come these men will most likely take over the coveted varsity seats. The J.V. shell is made up of Brian Bird, Web Walker, Jerry Campbell, Bill Karslake, Tom Holden, John Boyle, Dick Lesneski, Lou Glaser, Dubac Preece, and R. A. Elliott at coxswain.

The two most important races this year are the State Championship Regatta at Lakeland, Florida, and the Dad Vail Regatta at Boston. The race at Boston is the "Rose Bowl" of the small crews. The competition at this race will be keen, for schools such as Dartmouth, Amherst and Boston are entered. But, this year Brad's boys have a good chance of bringing home a victory.

This year's tennis team faces the toughest schedule that Coach Jim McDougall can remember. Some really top collegiate squads have been added to last year's schedule which in itself was not easy. Coach McDougall has said that if his team goes through this season undefeated, it will undoubtedly receive top ranking in the nation.

will take place. At least twenty-five different schools are represented in this contest ranging from way out west in Texas and Oklahoma to the East Coast. Already played this year is the Florida Intercollegiate Tournament in which Rollins placed fourth. The high point of the tournament as far as Rollins was concerned was the fact that Billy Key, number one Rollins golfer, came in with a tie for fourth place in the individual matches. The Rollins golf team to date has played two intercollegiate matches, losing to a strong Florida State team 11½ to 6½, and winning over Davidson 14 to 13.

TARPON CLUB

The Tarpon Club, under the direction of Sara Jane Dorsey, is composed of 12 girls who practice formation swimming twice a week. Jeannie Wiselogel and Pat Roberts are the student leaders. The club consists of Rollins' best women swimmers and presents shows throughout the year for different conventions, luncheons and benefits. As part of the program for the State Key Club Convention, they presented three formations depicting the development of swimming from 1900 to the present time. They also swam for the State Welders and Drillers Convention, performing two formations, several stunts and the demonstrations of correct strokes. Other performances held during the year were at the Orange Court Hotel, the Orlando Aquasieum, and Mayfair Inn, Sanlando Springs and the Sheraton Plaza Hotel in Daytona.

WATER SKIING

The Rollins Water Ski Team, organized in 1948, is fully established on the map of Florida. The boys have won three out of four triangular meets between Florida Southern and Miami University, and the girls won the last three meets. Aside from partaking in this competition, the team has put on various exhibitions during the school year. Out of their strong interests, the members of the team have organized a Ski Club. Their prime aim is to further Skiing for pleasure by obtaining jumps, and arranging more trips and shows.

INTRAMURALS

The purpose of the intramural program at Rollins is to provide competition and recreation for every student in those sports which he likes best; to promote interest and social attitudes. The groups involved in intramural competition are the fraternities and sororities and both men's and women's Independent groups. The body governing these groups is the Intramural Board which consists of one representative from each group. This board takes care of all problems pertaining to intramural sports such as rules, referees, and trophies, etc. Suitable awards are given in all intramural sports and the Intramural Cup is awarded to the competing group securing the greatest number of points during the year.

In men's intramurals, once again this year's race for the Clark Trophy is dominated by the X Club, who have won four out of the six sports played to date: football, basketball, tennis, and volleyball. In

football the Gale Hall boys won, but they were hard pressed by a much improved Independent team, which eventually had to settle for a second place. In golf the KA's came through with a win with Dave Shelly being the strong factor of the team. Bruce Remsburg, now in X Club, won the golf trophy, giving the Independents enough points for a second place. Tennis was another sport that went the way of X Club with John deCarville winning the singles. The Delta Chi's got points for a second place when Bruce Lee and Bud Morrison won the doubles matches. The basketball season was no surprise this year as the favored X Club team won without much trouble. The Independ-

In girls' intramurals the Theta's seem ta be ahead at this time, having wan saftball and taken secands in the remaining three sparts played ta date: basketball, galf, and tennis. The Kappa's have wan bath galf and tennis, having in their graup same af the finest athletes in bath activities. Bannie Edwards, Jerry Faulkner, and Marilyn Shintan are all fine tennis players, while Barb Bremmerman and Danna Knax play excellent galf. Basketball was wan by the Independents with the Theta's running a clase secand. Naw there are still faur mare sparts left for campetitian—valleyball, swimming, archery, and the harse shaw. The fact that every organization or group of organizations needs a governing body accounts for the existence of the Interfraternity Council of Rollins College. Each fraternity elects from its membership at the beginning of the Fall Term two representatives to serve on this Council. Its purpose not only is to govern all interfraternity relations, but also to try and promote good will among the organizations, to preserve the ideals of Rollins College, and to sponsor the mutual interests of all the fraternities on this campus.
